

## Emergence Gallery Call for Entry

### Overview

The Emergence Gallery showcases the work of artists who are in the early stages of their career with a small exhibition history or who are under the age of 30. It gives artists the opportunity to showcase their work in a professional setting and gain exposure in the local arts community.

The space is located by the entrance of NPCC and it measures approximately 7 feet x 7 feet of wall hanging space. We welcome artwork of any medium to be displayed for the duration of three weeks.

NPCC provides the following support to promote the exhibiting artist:

- Inclusion of artist information in our e-mail blasts
- Inclusion of artist information on our website
- Business cards may be displayed and distributed at the front desk
