

GOG Reciprocal Admission Program Information and Listing

Under the reciprocal free admission program, participating GOG institutions agree to offer free admission to:

- Reciprocating GOG members
- Members of reciprocating GOG members
- Staff of reciprocating GOG member organizations

Please be aware of the following conditions for the Reciprocal Admission:

- Presentation of a valid GOG reciprocating institution's member card or staff identification card is required
- These benefits are conditional upon the consent of the reciprocating member institutions and are only offered during regular hours of operation
- Ticketed exhibitions may or may not be included, and such a decision is subject to the discretion of the participating institution
- When visiting the GOG reciprocating institution, you must adhere to the definition and criteria of memberships (i.e. family membership, student membership, etc.) of that institution

Special Note: *Due to the pandemic and closures/re-openings, the reciprocal admission list is currently being updated. However, the institutions listed below had indicated to participate in the program when becoming members of GOG. The GOG Secretariat **is in the process of confirming** participating GOG institutions. It is **highly recommended** to reach out to these institutions **prior to your visit** to confirm their participation, until the GOG Secretariat can confirm all galleries participation. Once confirmed, the GOG Secretariat will remove this note from this page.*

If you have any questions regarding the reciprocal admission program, please contact us at members@galleries-ontario-galleries.ca.
