

Instructor: Yuqian Sun

Course: S25AGLA, Glass Painting

MATERIALS LIST

Object to Paint On:

Please bring 2-3 different glass objects to paint on. Suitable items include small bottles, jars, or cups, which can be found affordably at stores like Dollarama.

If you are relatively new to drawing or have a shaky hand, it's recommended to choose objects with smooth surfaces and straight shapes rather than those with textured surface or a rounded belly part. If you're interested in creating a stained glass effect painting, you may also choose a flat plexiglass panel.

Glass Paint Kit: Pebeo Vitrea 160 Exploration Paint Set

Outliner Paint: Pebeo Vitrea 160 Paint Relief Outliner (Color: 68 Gold). You may also purchase additional colors if desired.

Painting Tools:

Small palette

Assorted small brushes in different shapes (fine liner, flat, round)

Container for water

Pencils, eraser, and regular paper for sketching

Scissors

Masking tape

Optional Mediums for Shimmer Effect:

The following two mediums are not required but will add a beautiful shimmer effect to your paint:

Pebeo Vitrea 160 Frosted Medium Available at Michaels

Pebeo Vitrea 160 Shimmer Paint (Gold) Available at Michaels
