Refund/ Cancellations

Cancellations must be made 14 days prior to the scheduled event for a refund. NPCC charges a \$25.00 administration fee to process cancellations.

What to Bring

Clients are responsible for bringing all food, table coverings if you bring food, non-alcoholic drinks, condiments, dishes and utensils, and decorations. Please note that NPCC is a nut free and scent free facility.

Artwork Pickup

Artwork involving paint and mixed media often takes several hours to dry. Please prepare to inform your group to handle wet artwork with care when bringing it home.

Reminder

Please arrive ahead of time as we run on a schedule in order to get all activities and art projects completed in the allotted time. Clients should arrive 30 minutes prior to the start time to ensure that all guests are accounted for. Clients are permitted to stay 30 minutes after the party for clean-up, when applicable.

How To Book

- Email petra@neilsonparkcreativecentre.com to find an available studio.
- Once a date and time have been established, the \$650.00 flat rate is due so that NPCC may reserve the studio.
- If the number of guests exceeds 14, the \$15 per additional participant fee may be paid at the time of the party.
- Client will be introduced to the teacher by email to discuss details prior to party.

NPCC Hours

Adult art parties can be scheduled from September 1 to July 1, any day of the week, between 9:00 a.m. and 9:30 p.m. Please note that we are closed on major holidays, and parties cannot be accommodated from July 1 to August 31 due to summer camp space limitations.

Art Project Options

No prior art experience is required to join our art parties. The activities listed below are suggestions only—we're happy to accommodate special requests and work with your team to design a project tailored to your company's needs and culture. Our instructors can also help select suitable subject matter for each workshop, when applicable. Please note that artworks created on paper will require framing by participants after the class.

Watercolour Painting on Paper

Discover the beauty and versatility of watercolour in this relaxed, hands-on class. Over two hours, participants will explore essential watercolour techniques on paper, including washes, layering, colour mixing, and brush control. Guided by an experienced instructor, students will build confidence while creating their own finished piece to take home. This workshop emphasizes creativity, experimentation, and enjoyment of the watercolour process. Note: framing is not included.

Acrylic Painting on Stretched Canvas

Explore the vibrant world of acrylic painting in this engaging two-hour workshop designed for all experience levels. Guided by a professional instructor, participants will learn foundational techniques such as colour mixing, brushwork, layering, and composition while creating a finished painting on 11 x 14 inch stretched canvas. With high-quality materials provided and step-by-step support throughout, this class offers a relaxed, creative environment where participants can build confidence, express their personal style, and take home a wall-ready artwork. Not sure what subject matter to paint? We can assist you in your selection!

Oil Pastel Drawing on Paper

Discover the rich colour and expressive potential of oil pastels in this hands-on two-hour workshop. Participants will explore blending, layering, and mark-making techniques while learning how to create depth, texture, and movement on paper. With guidance from a professional instructor and all materials provided, participants will leave with a completed artwork and a deeper understanding of how to use oil pastels to achieve bold, dynamic results. Note: framing is not included.

Creative Portraits Using Mixed Media on Stretched Canvas

Push beyond realism and explore creative expression in this two-hour mixed media workshop focused on portraiture. Participants will experiment with a variety of materials and techniques—such as layering, texture, collage, and expressive mark-making—to create a unique portrait on 11 x 14 inch stretched canvas. Guided by a professional instructor, this class encourages personal interpretation and bold creative choices in a supportive, exploratory environment. Participants will leave with a finished, one-of-a-kind artwork. Note: participants may be asked to bring photos or print-outs of themselves to capture a likeness.

Credit: Toni Caldarone

Mixed Media Collage on Canvas Board

Explore the art of layering and storytelling in this two-hour mixed media collage workshop. Participants will combine found imagery, papers, textures, and paint to create a dynamic composition on 11 x 14 inch canvas board. Guided by a professional instructor, the class covers composition, adhesion techniques, surface building, and finishing details, while encouraging experimentation. Participants will leave with a completed mixed media artwork rich in texture and visual interest. Note: framing is not included.

Holiday Wreaths

Get into the festive spirit in this hands-on two-hour wreath-making workshop. Participants will design and create a seasonal wreath using fresh and decorative materials such as greenery, florals, ribbons, and embellishments. Guided by an experienced instructor, the class covers basic design principles, wiring techniques, and creative styling tips while allowing plenty of room for personal flair. Participants will leave with a beautiful, handcrafted wreath ready to display or gift.

Painted Driftwood Friendship Sticks

Bring creativity and connection together in this fun, hands-on workshop. Participants will paint and decorate natural driftwood sticks, transforming them into colorful, meaningful objects to give or keep. Guided by a professional instructor, the class explores painting techniques, pattern design, and creative expression, all in a relaxed, supportive environment. Participants will leave with a personalized, handcrafted work of art full of charm and character.

Credit: Toni Caldarone

Driftwood Mobiles with Beads

Create a whimsical mobile in this hands-on two-hour workshop. Using colorful beads and other materials, participants will design and assemble a hanging piece that's full of movement and charm. Guided by a professional instructor, the class covers basic design principles, balance, and assembly techniques, while encouraging personal creativity and playful experimentation. Participants will leave with a unique, handcrafted mobile ready to display.

Creative Paper Weaving

Explore the ancient art of weaving in this fun 2-hour workshop using an assortment of papers, scissors, a ruler and glue. Create a "loom" by folding paper, cutting vertical slits leaving a border, then weaving strips alternately over and under the base strips. It's a great project for building fine motor skills. Our instructor will provide tips on how to use interesting techniques to create creative patterns and textures
