MATERIALS LIST

- **Design Equipment:**

- If you keep a sketchbook or notebook, please bring it along to work from or add to
- Pencil and or pen, paper scissors, plain paper (printer paper is fine)

- **Sewing Machine Equipment and Accessories:**

- Domestic sewing machine in good working order, extension cord, and manual if you are not very familiar with your machine
- Spare sewing machine needles, size 80 and 90
- If your machine has a sewing table attachment, bring it along, no need to purchase or make one. *Contact Saskia for more clarification if needed*
- Free motion embroidery foot or similar for example a darning foot or quilting foot. *Contact Saskia for more clarification if needed*
- A selection of standard sewing machine threads e.g. Guterman, Mettler polyester or cotton, in a variety of colours. Bring some variegated, metallic and rayon machine embroidery threads only if you have them.
- Sewing notions that you have and like to use e.g. fabric scissors, pins, sewing needles. In addition, bring a chalk pencil, disappearing fabric pen etc. if you have them
- Wooden Embroidery hoop approx. 6" or 8" diameter, and about 1/2" or less, deep. A good hoop is smooth and made of hard dense plywood with a screw adjustment.

- **Fabric supplies:**

- Variety of mostly plain natural non stretchy fabrics. Silks, linens and cottons will work best. Please bring a variety of different weight fabrics, from lighter (e.g. quilt cotton) to some canvas and or denim. Vintage and or repurposed materials and scraps are great to work with also.
- Muslin (plain cotton) or alternative, stable fabric to sample on, approx. 1/4yd
- Stabilizer material, tear away or alternative, min 1/4yard
- One piece of water-soluble material, such as Sulky Solvy (clear, fabric or paper version) min 1/4yard or approximately 12"x12"
- Bonding material such as Stitch Witchery, Heat N Bond or similar, approx. 1/4yard
